THE SHANGRI-LA CHINESE ACROBATS® PROGRAM NOTES

THE SHANGRI-LA CHINESE ACROBATS® offers more than a glimpse into the fascinating Orient. It consists of sensational Chinese acrobatics, balancing feats, martial arts displays, and much more. A truly oriental spectacular and a show for all ages, the grace, and precision of the acrobats are the triumph of years of dedicated training and discipline, but their art has been formed by centuries of tradition. Chinese acrobatics are in fact much more than just a series of stunts. Most of these acts clearly demonstrate the achievement of perfection through finding harmony between mind and body ~ an ancient concept in the Orient.

This sensational group has performed throughout South and Central America, Southeast Asia, South Africa, Zimbabwe, Monte Carlo, New Zealand, Israel, Canada and the United States. In the early days, they burst upon the American stage, appearing with celebrities such as LIBERACE while playing casinos in Las Vegas, Lake Tahoe, and Reno. Besides appearing on many TV specials, THE SHANGRI-LA CHINESE ACROBATS® have also been seen on the Family Channel's "Home & Family Show," hosted by Christina Ferrari, KTLA's "Good Morning ~ LA," New York One News, CNN where they were interviewed by Christiane Amanpour and Calgary's "Big Breakfast" morning show on the A-Channel. THE SHANGRI-LA CHINESE ACROBATS® astonished Fair audiences at the Los Angeles County Fair for their second consecutive year, where standing-room only crowds welcomed them yet again. They have performed at many corporate events over the years, most recently for the USA Olympic Swim Team at their Event Finals in Omaha, Nebraska. They also returned to the Belterra Resort and Casino in Indianapolis earlier this Summer for another successful run.

On their annual sold-out theatre tours, THE SHANGRI-LA CHINESE ACROBATS® astound audiences with their incredible talents night after night in city after city. The incredible response of the audience is a testament to the popularity of their unique brand of entertainment. The performers enjoy traveling the world, sharing their ancient art with audiences young and old. From major performing arts venues to colleges and universities, this versatile and fun attraction thrills audiences with their death-defying dexterity and skill. 2008 marks their 29th National Tour...that's 29 years of incredible success which they celebrate with you today! So, sit back, relax, and prepare to be transported by these incredible performers to the mystical land of "Shangri-La" where anything is possible...and illusion becomes reality!

The Management reserves the right to make alterations in the order of the program or in the cast and crew through illness or any other cause whatsoever. The use of cameras, video or tape recorders is strictly prohibited. The Management also recommends that you advise children that what they see on stage takes years of practice and should not be tried at home!
